On 28th August 2024 at 2:30 pm all the AICUFers gathered in 2nd Mathematics class and we have an opportunity to organize a collaborative program at St. Mary's college in partnership with St. Xavier's college and Bharathidasan university. The highlight of the event was the inspiring session led by Dr.D. Namasivayam a distinguished expert in modern drama.

Dr.D. Namasivayam shared his vast knowledge and experience, captivating our students with his insights into the transformative power as a tool for social change. Our students were deeply engaged throughout the session, gaining not only the technical skills in street play but also an

understanding of how these art forms can be used to address social issues and bring about positive change. The event was a perfect blend of academic learning and practical experience.
