CENTRE FOR DIGITAL EXCELLENCE

Report

2022-2023

The college's digital excellence fosters an innovative culture of learning and teaching. Around 30 activities from various departments at the college have been live streamed, with around 3217 people benefiting.

The Centre looks after the Digital board which allow information to be shared within the college grounds regarding the events conducted in the college, providing a more spatially appropriate context for the data.

The events organized by various Clubs and forums of the college and various community updates are posted in social media like Twitter and Facebook.

The College ERP streamline and automate processes, creating a more accurate and efficient operation of conducting Online exams for students and fee payment.

Regular update of the College website and scroll events conducted by the college are manged by the Centre.
