

**SEMINARS ORGANIZED UNDER STAR COLLEGE SCHEME
2019-2024**

A Seminar on “Electrochemical Technology” was organised by the Department of Chemistry on 13th December 2019

A Seminar on “Marine Biology” was organised by the School of Biological Sciences on 20th December 2019

A National Seminar on “Nanoworld” was organised by the School of Physical Sciences on 23rd January 2020

The International Conference on “Advanced Materials (ICAM 2020)” was organised by the School of Physical Sciences on 30th and 31st January 2020

A National Seminar on “Artificial Intelligence in Agriculture” was organised by the Department of Botany on 25th February 2020

National Conference on “Recent Trends in Life Sciences” was organised by the Department of Zoology on 17th March 2023 and 18th March 2023

International Symposium on “Smart Materials” was organized by the Department of Chemistry on 18.3.2023

International conference on “Applied Biosciences – a Sustainable Developmental Goal” was organized by the Department of Botany on 28th March 2023 & 29th March 2023

A State level Seminar on "Exploring the Horizons for Enthralling Career for Science Enthusiasts" was organized by Department of Botany on 19th October 2023

International Conference on “Microalgae: Biodiversity and Bioprospecting” was organized by Department of Botany on 20th and 21st February 2024

National Seminar on ‘Marine resources: Conservation and sustainable utilization’ was organized by the Department of Zoology on 6th March 2024

International Seminar on “Recent Trends and Advances in Chemical Sciences” was organized by the Department of Chemistry on 7th March 2024

National Conference on “Exploring the Frontiers of Smart materials –NCEFSM- 2024” was organized by the Department of Physics on 15.03.2024

A National Seminar on “Intersecting Vistas: The Fusion of Landscape Aesthetics and Literature of the Human Ecology” was organized by Department of Botany in association with Department of English on 25th March 2024

An International Conference on “Biotechnology to Entrepreneurship” was organized by Department of Botany in collaboration with P.G and Research Department of Commerce on March 25th and 26th 2024

A National Seminar on “Farming and Floral Foot Prints -Tracing Interwoven Historical and Botanical Heritage” was organized by Department of Botany in association with the Department of History, St. Mary's College (Autonomous) Thoothukudi on 27th March 2024

International Seminar on "HR with a Heart: The power of psychology in workforce management” was jointly organized by the Department of Zoology, Department of Psychology and Department of MHRM on 21st August 2024

International Conference on “Exploring the Intersection of Stem Cells Research and Career Skills - A Global Perspective “was organized by the Department of Botany in association with Department of Microbiology on 3rd September 2024

An International Seminar on “Perception of Zoological Research Through Tamil Literature” was jointly organized by the Department of Zoology and Department of Tamil on 6th September 2024

National Seminar on “Narratives of Nature: Exploring the Indigenous Ecology and Environmental ethics” was organized by the Department of Botany in association with Department of English on 9th September 2024

International Seminar on Tamilum Thavaramum (“தமிழும் தாவரமும்”) was organized by the Department of Botany in association with Department of Tamil on 10th September 2024

National Seminar on Integrating Environmental Social Governance (ESG) Strategies for Business Success was organized by the Department of Botany in association with Department of Commerce on 11th September 2024

A National Seminar on “Interdisciplinary Research” was organized by the Department of Zoology on 18th September 2024
