Each teacher is responsible for a group of 10 to 13 students, overseeing their academic progress and overall well-being. A key component of this approach is the Tutor-Ward Meeting, held every Friday from 2:30 p.m. to 4:00 p.m., where the teacher focuses on addressing the psychological needs of the students. During these sessions, the teacher maintains detailed records of each student's academic performance and personal data. Throughout the semester, students meet with their mentor a total of seven times in the odd semester and seven times in the even semester to ensure consistent support and guidance.
