## PG & Research Department of English

### Newsletter

2020-2021

### HoD's Message

I am deeply delighted to present the newsletter of the Department of English for the academic year 2020-2021. This is an attempt to give an insight into the activities of the department.

The College cherishes this academic year as the **Year of Hope**. The entire world at this time is baffled with the devastating pandemic COVID-19 that challenges all to no definite solution. In this period of uncertainty, the online mode of instruction replaces the face to face classroom interactions, and the Marians attempt to impart the best to the students with the hope of building confidence and self-assurance.

The faculty of the PG and Research Department of English worked diligently to create a conducive virtual environment for teaching, learning and organising events for the students both in the academic and non-academic fields to work towards their goals.

I take this opportunity to appreciate the Members of the editorial board for their effort to ensure perfection.

**Best Wishes,**

**Dr. A. Judit Sheela Damayanthi**
