HOD's Message

Dear Students and Faculty of the Department of Economics,

As we reflect on the past months and look forward to the opportunities ahead, I am filled with pride at the achievements of our energetic department.

This edition of our newsletter highlights the remarkable contributions and achievements of our students and faculty.

- We accomplished multiple seminars, webinars, conferences and workshops creating opportunities for intellectual discourse and professional development.
- Faculty members and students contributed to academic advancement by presenting papers in renowned seminars & conferences.
- Faculty members have excelled themselves in research activities by publishing many research papers in highly reputed journals including UGC Care listed, Scopus and Web of Science.
- Our dedicated staff actively participated in numerous workshops and training sessions, enhancing their teaching skills and knowledge base.
- Though, being from economically poor background and mostly first-generation learners, our students prove their hard work and determination in academics and sports activities.
- Our students have also demonstrated their commitment to societal welfare through participation in community outreach and development initiatives in their adopted villages.

Thank you for being an integral part of our department's journey. Together, we continue to shape a brighter and more informed future.

Best wishes

Dr. D. Amutha

Head & Associate Professor of Economics

Bridge Course

The goal of the bridge course is to help students transition from their previous educational system to the new one. It assists them to improve their language skills that helps them to communicate and comprehend in the language of education. It also develops their critical thinking and problem-solving skills. This course was conducted for our I UG students from 02.08.2022 to 04.08.2022 by the English department instructors.

Mentor-Mentee System

The aim of this system is to develop the students academically and make them personally strong by providing them guidance, encouragement and support. This helps in improving their problem-solving skills and critical thinking ability. Each faculty has almost 20-25 students as their mentees and they meet them weekly once during the tutor-ward hour that is usually on Fridays during 2.30 to 4.00 p.m. Each mentor meets their mentees individually and discuss about their problems and suggest ways to overcome them, nurture their skills and talents to build a successful future.
