**Grievance & Redressal Committee 2022 - 2023**

Students gave a complaint on 03.01.2023 to provide extra fans and lights in the classrooms. After three days the grievance was redressed by providing extra lights and fans in the classrooms.

On 09.01.2023 students expressed their inconvenience of overcrowding in the Parking Area during the rush hour in the morning. The very next day the management redressed the issue by allocating different areas for each department to avoid overcrowding and provided a comfortable zone for the students.

On 09.01.2023 students pointed out their inconvenience of the dress code in the college. So, the management after discussion allowed the liberal dress code in the college
