The External Experts offered the following suggestions:

Dr. Pooranachandran, The Joint Director of Collegiate Education appreciated the conduct

of online classes during this pandemic situation. He commended the existing Teaching – learning process in the college and said that the initiative towards online teaching is very good.

He questioned the strength of students in M.A. Economics and advised to inform this to the Joint Director’s office. He said that the surplus teachers will not be affected. The workload and post will not be compromised. Dr. Sr. A.S.J. Lucia Rose, Principal affirmed it and said that she will intimate.

He appreciated the examination results. He suggested the open book examination system and remote examination system during this pandemic situation. He also advised the institution to take the support from various local industries for Internship.

He advised the college to include 3 years exam result instead of 1 year in the report.

He questioned about the Income and expenditure details in the Controller’s Office. Dr. Senthamarai Kannan also questioned the same. Dr. N. Arokiya Mary, the Controller of Examinations explained the details.

Dr. Rajvir Sharma commended the overall report. He advised to evaluate the progress of the learning by sources other than classroom. He also stated that the National Education Policy is a transformational process or effort and there are many provisions in the New Education Policy for Higher Education Institutions. He mentioned that the level of Autonomy of the college is to be linked with the accreditation.

He gave a suggestion to organise a National webinar on New National Education Policy. He questioned the use of technology for the betterment of the students. He said that the outcome of open book system should be seen. He advised to analyse the pros and cons of open book system of examinations before adopting on to the open book system. Dr. Rajvir Sharma advocated that a Mentor Mentee system should be formed for Research.

Mr. Rajvir Sharma, UGC nominee asked whether the students opt for MOOC. To which Dr. B. Serena Margaret, IQAC & MOOC Coordinator confirmed that out of the 187 I PG students who undertook the MOOCs, 135 students passed the examination. She also stated that 20 students received Elite Silver certificates. 2 students, Jeslin Saghana J, Mirnalini Priya M. from I MA English Literature got 5th place in the national level in the MOOC “Short Fiction in Indian English Literature” offered by NPTEL. In the same course, Ms.M.Reeda Albin Mary, Assistant Professor of English (SSC) was the topper at the national level. 8 students from I MA English Literature were chosen by IIT Madras to attend a training programme on “Soft Skills” in their campus. Due to the Covid – 19 Pandemic, the training programme was conducted online.

Dr. B. Serena Margaret also stated that following the suggestion of Mr. Rajvir Sharma, UGC nominee in the previous Governing Body Meeting, UG students were encouraged to enroll in MOOCs. 20 students from I BA & II BA English Literature successfully completed the MOOCs. Mr. Rajvir Sharma appreciated the students for their enthusiastic and active participation in MOOCs. Dr. C. Poorana Chandran, State Government Nominee congratulated the students on their success. Dr. K. Senthamarai Kannan, University Nominee appreciated the students for their meritorious performance in MOOCs. He suggested that the UG students who completed MOOCs should be given awards and certificates. Dr. B. Serena Margaret, IQAC & MOOC Coordinator stated that the students were awarded certificates and prizes during “Zealit” – The Literary Fest. Overall the nominees appreciated the management and the students for their great efforts.

Dr. Senthamarai Kannan appreciated the conduct of the Governing Body Meeting online. He along with Dr. Rajvir Sharma asked the college to send students for internship training, to get fund from the companies, for project or to conduct seminars. To which Dr. Fernando Alexandria, Dean, School of Management of Economics stated that internship training is given to students. She furnished the following details

1. M.H.R.M. students attend 40 days internship training every year during the month of May.
2. UG and PG Computer Science students went for two months and six months respectively to Digi Sailor and Curly Braces – Thoothukudi for Internship Project Development.
3. For the year 2020-2021, 41 students from U.G. & 1 from P.G. Computer Science are undergoing free Internship Training Programme by a team of 7 members working in California. They along with hired trainers provide training in Soft Skills, Computer Skills and Job placement.
4. BBA has applied to Nila Sea Foods for internship.

Dr. Rajvir Sharma and Dr. Senthamarai Kannan appreciated this. Dr. Senthamarai Kannan suggested the open book examinations system.

He questioned Online Feed Back system. He enquired whether feedback is obtained from both faculty and students. To which Dr. P.J. Joslin, Dean, School of Biological Sciences explained that 2150 students gave feedback (80% of students strength) and feedback was given by II, III U.G. & II P.G. Ms. M. Jothimani, Dean, School of Physical & Computing Sciences also stated that at present feedback is given by students and next year it will be taken up from faculty members also.

He asked whether there was any negative comment and to state some positive and

negative feedback. To which Dr. P.J. Joslin, Dean, School of Biological Sciences and Ms. M. Jothimani, Dean, School of Physical & Computing Sciences stated that most of the students gave positive feedback (100% - positive feedback for completing the syllabus and 10% - negative feedback for research). He appreciated the faculty members for completing the full syllabus.

Dr. Senthamarai Kannan advised that if negative feedback is given then it should be analysed to strengthen the institutions. He also advised to encourage the research guides to publish papers in reputed journals. He enquired whether any fund is received from Tamil Nadu State Council for Science and Technology. Dr. Sr. A.S.J. Lucia Rose, Principal and Dr. Sr. C. Shibana, Deputy Principal answered that two students from the Department of Physics and Chemistry received the fund. He said that those students must be appreciated and awarded.

Rev. Sr. Hilda appreciated the online meeting and progress of the college. She suggested that measures must be taken for publishing books & recognition is to be given for the author of the book.

Dr. T. Linda Fernando, Senior faculty member and Associate Professor of Chemistry proposed the vote of thanks and the meeting was concluded.
