## National Mathematics Day Celebration: A Remarkable Event by the Department of Mathematics

The Department of Mathematics celebrated National Mathematics Day on 20th December 2018. The event was organized to honor the birth anniversary of the legendary mathematician Srinivasa Ramanujan and to inspire a love for mathematics among students. Dr. R. Kala, Professor at Manonmaniam Sundaranar University, graced the occasion as the Chief Guest. The event, hosted by Ms. Shengbagavalli of II B.Sc. Mathematics, commenced with great enthusiasm.

As part of the celebration, Ms. S. Pratiksha and Ms. P. Saradha of III B.Sc. Mathematics delivered compelling presentations on the life and contributions of Srinivasa Ramanujan, emphasizing the importance of his work in the field of mathematics. Adding to the academic fervor, Ms. M. Subalakshmi and Ms. Pragathi of M.Sc. Mathematics presented insights into the achievements of other renowned Indian mathematicians, showcasing their contributions to the world of mathematics. The Chief Guest, Dr. R. Kala, inspired the audience with her engaging address, where she delved into intriguing mathematical conjectures and introduced the students to contemporary Indian mathematicians. She encouraged the budding mathematicians to think creatively and pursue excellence, highlighting the prestige of the Fields Medal as a recognition of extraordinary contributions in mathematics.

The celebration not only commemorated Ramanujan's legacy but also ignited a passion for mathematical inquiry and innovation among the students, making it a truly memorable event for the Department of Mathematics.
