

ST. MARY'S COLLEGE (AUTONOMOUS), Thoothukudi

DEPARTMENT OF COMPUTER SCIENCE

Skill Development Programme on

Project Guidance and Development

Academic year	: 2022-2023
Number of Student participants	: 50
Mode of session delivery	: Online
Title	: Project Guidance and Development
Date	: 07-09-2022
Resource person	: Mr. Vasant Kumar, Executive Director of CAPSLOCK Thoothukudi

The Department of Computer Science organised a guest lecture on 07.09.2022 on the topic Project Guidance and Development. Mr. Vasant Kumar, Executive Director of CAPSLOCK Thoothukudi was the resource person. His colleagues from capslock also accompanied him.

He gave new ideas about how to develop our projects. He explained the students, how easily programming can be done, in what areas job availabilities are there.. He explained about both the advantages and disadvantages in IT field. He also discussed about the negative perspective of people now a days about IT jobs. The lecture was so informative and interactive, the students gained more knowledge from the resource person and his colleagues. He also interacted with the students and made the session more interesting The third year students of the Department of Computer Science were the beneficiaries.
