Report

The Association Meeting for the Department of Economics was held on 12.01.2023 through online platform on the topic “Industrial Development and Employment Opportunities in the Present Scenario in India”. Dr. Giribabu Mahasamudram, Professor, Department of Economics

(SEMIS) Mizoram University, Tanhril, Aizawl, Mizoram was the resource person. The meeting started with a short prayer. Ms. Maheswari of III B.A. Economics welcomed the gathering. Dr. Muthu Maha Laxmi, Assistant Professor and Association Incharge of the Department of Economics welcomed & introduced the resource person. The Association Meeting minutes was read by Ms. Murugeshwari of III B.A. Economics. While addressing the participants, the resource person made the point in his speech that India is a desirable location for foreign industrial development. He claimed that major luxury goods and automobile companies, among others have established or are trying to build their industrial bases in the nation. He added that in the years 2021–2022, the industrial sector in India had a capacity utilisation rate of 66.6%. He anticipated that India's manufacturing sector might grow to a US\$1 trillion market by 2025. He concluded that the Government wants to assure the total growth of the country, with a focus on the creation of smart cities and industrial corridors. The corridors will support advanced manufacturing techniques and help with further integrating, monitoring, and building a favourable environment for industrial development.

The participants clarified their doubts at the end of the session and the meeting was very fruitful. There were nearly 80 participants that comprised of the faculties and students from the Department of Economics inside the institution and also participants from other institution from different parts of India. Ms. Aishwarya of I B.A Economics proposed the Vote of thanks.
