Report

Department of Physics (UG and PG) jointly organize an Association meeting on 27/8/2022 at Star Hall, St. Mary's College (Autonomous), Thoothukudi. Dr. A. Murugeswari, Assistant Professor, Department of Physics, CEG, Anna University was the resource person. The meeting started at 2 p.m. Our resource person Dr. A. Murugeswari, gave career guidance to the students through her valuable talk on "Road Map to Research". She motivated the students to take Research as their career. She listed out the examinations in the physics field and enumerated the available scholarships and its details among the students. Most importantly she motivated the students by talking about the ways after their degree. Additionally, she explained all the steps involved in the Ph. D. Finally she encouraged the students by giving a chance to ask questions then their queries were clarified. Thus through her lecture, number of paths were put forward in front of the students for their successful future.
