- **Report**

The department of Physics organized a three day hands on training on the topic, "Advanced topics in C++" from 07-11-2022 to 09-11-2022 under the star college scheme. The first day session on 07-11-2022 commenced with a prayer song to solicit God's blessings. Dr. Sr. Jessie, Head of the department of Physics welcomed and introduced the resource person, Mr. B. Veerabahu, the managing director of Veera computer Education, Thoothukudi. He threw light on the following

- Algorithm and check method
- Arithmetic condition and loop method

The second day session was held on 08-11-2022. The resource person highlighted the following

- Practicals using C++ language
- Program explanation

The third day session was held on 09-11-2022. A detailed training on the following were given

- Algorithm of various programs
- Practice on check method

The topics were new and interesting to the students. The queries were effectively clarified by the resource person. Finally the students expressed their words of gratitude and the session came to an end.
