- Certificate

- **Report**

The department of Physics organized a three day lecture cum training on the topic, "Physics based computer literacy" from 07-09-2022 to 09-09-2022 under the star college scheme. The first day session on 07-09-2022 commenced with a prayer song to solicit God's blessings. Dr. Sr. Jessie, Head of the department of Physics welcomed and introduced the resource person, Mr. B. Veerabahu, the managing director of Veera computer Education, Thoothukudi. He threw light on the following

- Basics of Ms word & Ms excel
- Practical exercise on Ms word and Ms excel.

The second day session was held on 08-09-2022. The resource person highlighted the following

- software installation
- OS update
- Billing in Ms excel

The third day session was held on 09-09-2022. A detailed training on the following were given

- Tally exercise
- Basics of database

The topics were new and interesting to the students. The queries were effectively clarified by the resource person. Finally the students expressed their words of gratitude and the session came to an end.
