Report

An national webinar on “Innovations and startup ecosystem enablers” was conducted at St.Mary’s College (Autonomous), Thoothukudi. It was jointly organized by Institution’s Innovation Council and PG and Research Department of Zoology on 27.08.2022 through zoom platform. Ms.V.Thanushree, Business management consultant, Tata strategic management group, Mumbai, was the resource person and delivered a lecture on entrepreneurial ecosystem with various suitable examples. She deliberated the pillars of entrepreneurial ecosystem. She highlighted the advantages of funding and finance and Indian technics in the business. She expounded the human capital, support systems and mentors in the development of modern technology. She focused education and training on entrepreneurship development. She also explained the government regulatory and policy framework. This webinar gave a deep idea about how do became an entrepreneur. The details pertaining to the initiation of start-up and investors, government, public entities, academics, supporting business partners, corporations involved in innovation and entrepreneurship ecosystem were educative. This orientation programme has opened the doors to get out of the box and pursue inspiring innovation. Principal and President of IIC Dr.Sr.A.S.J.Lucia Rose, Secretary and Vice-President of IIC Dr.Sr.C.Shibana presided over the programme. Dr.P.Subavathy, Assistant Professor of Zoology and Member of IIC welcomed the gathering and Dr.S.Selvi, Assistant Professor of Zoology and Member of IIC proposed the vote of thanks. More than 110 faculty members and students were benefited through this webinar.
