❖ REPORT

Marian Research Forum and St. Mary's Mathematics Research Forum jointly organized a workshop on Quality Research Proposal and Publication on 17th December, 2021. Dr. Selvam, Assistant Professor of Geology, V. O. Chidambaram College, Thoothukudi was the resource person. Dr. Selvam addressed the gathering on Quality Research Proposal and Publication. He highlighted the importance of publication for an individual's academic growth and how one can enhance their profile by publishing their papers in SCI, HSCI and ESCI indexed journals. He also insisted freshers to write quality research papers by developing the habit of reading a lot of articles and then converting them to review papers with their own inferences. Finally, he encouraged scholars to develop novelty and innovativeness to become good researchers. Research guides, Heads, Research Scholars and PG students from research departments were the beneficiaries.
