Respected Sir,
Sub: Internship programme - regarding.

Warm Greetings!

I am glad to send 5 of our B.E. Physics students for internship in your hospital from 1st November 2021 to 10th November 2021. I hope this opportunity would enrich our students' knowledge on "Instrumentation". Kindly do the needful.

Thank you.

Yours sincerely,

Dr. Sr. Jessie Fernando

- Report

The Department of physics arranged an internship programme on instrumentation at AVM hospital from the 1st of November 2021 to 10th of November 2021 under the star college scheme sponsored by the Department of Biotechnology, New Delhi.

Five of our students attended the internship and they are as follows

1. Jaffry. T
2. Maria Jocelin Shelcia. M
3. Nirojini. V
4. Sakthi Maheswari. R
5. Uma Nagalakshmi. Mu

Our students had a very good exposure to the principle and working of the following imaging techniques.

X- ray, MRI, Ultrasonogram, CT, EEG and ECG. The students had an opportunity to work with expert radiographers and had a phenomenal updating of skills. The internship helped them to enhance their knowledge about physics in medical field, the growth of technology in society. The students had good working experience and mastered much more skills as well.
