- Certificate

digisailor

Date: 22-12-2021

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Ms. DHIVYA CHARSHINI D.** Department of Physics, St. Mary's College (Autonomous), Thoothukudi, Tamil Nadu has successfully completed 10 days (from 13th December 2021 to 22nd December 2021) **Geographic Information System Internship at DIGISAILOR**

During the above mentioned period she has worked on Coastal Mapping Project and we found her cooperative, hardworking and diligent.

We wish all the very best for her future endeavors.

For DIGISAILOR

A. Praveen Kumar

- Report

The department of Physics organised an internship on e-mapping in our college premises from 13.12.2021 – 22.12.2021 under the star college scheme sponsored by the Department of Biotechnology, New Delhi. The internship was headed by a proficient guide from Digisailor

company. Eleven students of III B.Sc. Physics attended the internship and gained knowledge on the following

- GIS, digitization etc.
- Various types of data
- Digitize maps using the software QGIS.
- Creating layers and adding layers.
- Exporting a file and uploading it in the web page created by them.

It was such a prodigious experience for the students to create a map by themselves and uploading it in web. We hope that our students would use this training as a stepping stone for their career.
