Report

An in-service training on Practicals in Zoology for Higher Secondary School teachers by the Department of Zoology and the DBT Star College Programme of St. Mary's College (Autonomous), Thoothukudi was conducted on 24.03.2022. Fifteen School teachers, teaching Zoology for Higher Secondary, from various Schools in and around Thoothukudi participated in the training. Dr. R. Sri Priya and Dr. M Paripooranaselvi, Assitant Professors, Department of Zoology were the trainers. The principle and protocol of experiments like Plasmid DNA isolation, restriction digestion of DNA, estimation of haemoglobin, counting of RBC & WBC and ABO blood grouping which are included in the higher secondary syllabus were taught to the participants. Practical manual was given to the participants and they were trained to handle the instruments and perform the experiments individually. All the participants enthusiastically participated in the training, observed and interpret the results. They were given participation certificates.
