➤ Report

The Marian Star Centre organised a one-day workshop on exploring online tools for enhanced learning on 12 September 2020 via online mode, sponsored by DBT, Star College Scheme, New Delhi, for the UG students of Zoology (105) & Botany (120). Mr. Vimal Jerald, Assistant Professor of Computer Science, St. Joseph's College (Autonomous), Tiruchirapalli was the resource person. The workshop began with the prayer song. The resource person gave the students a general introduction about the online study platform. After that the students were asked to join in on the Google classrooms created by the resource person. Students received proper training on how to enter the Google classroom, how to submit assignments, how to write quiz, and how to upload and download materials through the Google classroom. Students took an active interest in the events of this class space. The resource person cleared up the questions the students asked then and there. The entire workshop was also thought insightful and engaging.
