Head of the Department

➤ Screenshot

**Understanding the role of deception**

- AET argues that *feeling* affection and *expressing* affection are "often" consistent...but not always.
- Deception research reported that people lied to non-married romantic partners in 1 out of every 3 interactions.
  - Deception defined
- Thus, studying the discrepancy between *felt* and *expressed* affection became my focus

Sean Horan

of course I'm in Love WITH YOU DARLIN
