**Date:** 22.12.2020

**Speaker :** Dr. Nishevitha Jayendran, Assistant Professor (English Language and Literature)  
Centre for Education, Innovation and Action Research, Tata Institute of Social Studies.

**Participants:** 157

**Link :** <https://youtu.be/vxLLD0X3F78>

### Report :

The department of English (SSC), in association with the Institution's Innovation Cell (IIC), conducted a webinar on "Design Thinking and the Teaching of English" on 22nd December, 2020. Dr. Nishevitha Jayendran, Assistant Professor (English Language and Literature) at the Centre for Education, Innovation and Action Research, Tata Institute of Social Studies, Mumbai was the resource person. The speaker gave a deep insight on how to gain practical and actionable discernment to identify design thinking as a core strategic capability for leading sustainable innovation and learning transformation. During the prototyping stage, we have the opportunity to put our solutions into practice. She instructed to set up a virtual classroom to increase collaboration. The aim is to assess whether these new content delivery and teaching methods are achieving the desired results. Prototyping will provide the insights needed to iterate and improve a proposed learning solution ahead of more structured testing.
