IQAC organized an International Faculty Development Programme on “Invisible Scholars: Students with Learning Disabilities and Identification of Students with Learning Disabilities” on 02-Jun-2020. Dr. Susie J Kozelka, Neuropsychologist, Brooklyn, New York addressed the faculty across the world on the most important task of the academicians in fathoming the different levels of learning disability inherent in student community and the extent to which they affect their academic access. She edified the teachers’ perception of the learners and the need to respect their unique giftedness She reiterated the moral obligation of the teaching fraternity in creating a responsive environment to the learners with disabilities by providing academic support resources necessary for those students to succeed. No of Participants 606.
