A webinar on “Intellectual Property Rights” was organized by Marian Star centre, Department of Zoology, St.Mary’s College (Autonomous), Thoothukudi on 18th February 2021 through virtual platform. Dr. Balaji Devarajan Head, Center for IPR, KPR Institute of Engineering and Technology Coimbatore was the resource person. Through his simple language, he explained the basic concepts of intelligence, critical and creative thinking. He made the students to realize that innovations are made out of simple thinking and not out of rare and complicated ideas. He also gave a deeper insight on the various inclusions of Intellectual Property Rights. He cited simple examples such as that of the discovery of sticky notes by Arthur Fry which is a very simple yet creative innovation. He also shared his own innovation on aero engines where he created a turbo jet for fuel consumption. He clearly explained the simple concept behind his innovation, the various procedures on filing the patent and finally the certification. Staff members and students from star departments (108) and from non star departments (108) participated in the webinar. The webinar proved to be resourceful to the students as it inspired them that greater things could be achieved through simple observation.
