➤ Report

'A Hands on training on Sericulture' and inaugural function of the Mulberry sericulture unit was organized by the Research Forum in collaboration with Department of Zoology and Institution's Innovation Council, St. Mary's College (Autonomous), Thoothukudion 19.03.2021 in the Star Hall. Dr. Noble Morrison, Retired Scientist D, Research Extension Centre, Central Silk Board, Kolar, Karnataka was the chief guest for the inaugural function and the resource person for the training. Dr. Hermin Pasangha, Head, Department of Zoology delivered the welcome address. Rev. Sr. A.S.J. Lucia Rose, Principal, inaugurated the Mulberry Sericulture Unit and delivered the presidential address. Dr. Sr. C. Shibana, Deputy Principal and IIC Coordinator felicitated the function. In his training session, the resource person highlighted the need for establishing sericulture units in India. He gave a clear idea about the types of silk worm and the techniques of rearing silk worm. The training was followed by planting of Mulberry saplings in the college ground. Dr. P.J. Joslin, Research Coordinator delivered the vote of thanks. 110 undergraduate and postgraduate students of Department of Zoology were the beneficiaries.
